

Become part of the growing movement aimed at bringing the best microfinance services to the people of Uganda:

- Your membership will entitle you to take part in and get discounts on workshops, access to information on microfinance best practices, the members database, industry surveys and linkage to regional MFIs and (international) networks, institutions and donors;
- More importantly, your membership will be a sign that you are committed to improving and professionalizing the microfinance sector in Uganda. You will be availed an opportunity to share with other MFIs your problems and successes, you can have a voice in the policy discussions with government, donors and other stakeholders;
- As a member of AMFIU you are entitled to access the library (within the Uganda Institute of Bankers) and database facilities (within the Secretariat) that AMFIU has created.
- You will also be entitled to receive a quarterly journal (the microfinance banker) and other relevant information in a timely manner.
