

AMFIU has again organized an Informal Information Exchange meeting to focus on Housing Microfinance on **5th April 2013 at 2pm at the Lion Centre, Sheraton Kampala Hotel.**

The demand for housing microfinance is increasing yet many microfinance institutions are grappling with developing such a product. In view of this, the Centre for Innovation in Shelter and Finance, Habitat for Humanity International, Africa and the Middle East Area Office will be launching a programme in Uganda to facilitate financial services providers to develop housing microfinance products.

The IIE meeting has therefore been organized to get an insight about this upcoming project and share experience on the performance of microfinance housing products.

There will be a networking cocktail after the meeting.

Participation is free of charge but through registration.

Call Telephone (256) 414 259176 or (256) 312 265540. You can write to [amfiu@amfiu.org.ug](mailto:amfiu@amfiu.org.ug) by 2nd April 2013.
